Message from the EUTF Administrator

Aloha! On behalf of the EUTF Board of Trustees and staff, welcome to this second edition of the new EUTF Newsletter. This issue focuses on the upcoming open enrollment period that begins April 14, 2008, for changes effective for the next plan year beginning July 1, 2008.

The EUTF is pleased to continue to offer two PPO medical plans, three HMO medical plans, the High Deductible Health Plan (HDHP), two supplemental plans, plus the vision and dental plans. This year, the Board intentionally kept changes to a minimum so that employees would be able to assimilate the new plans (introduced last year) and make adjustments accordingly.

Through the EUTF open enrollment booklet and meetings, our staff, plan administrators and consultants make every effort to ensure that you have all the information you need to make informed decisions. We are pleased to include the premiums and employer/employee contributions in the enrollment booklet. For your convenience, we have also included the premium and contributions table in this newsletter. Please take advantage of the information available, attend a session, read thoroughly and make a well informed decision about your benefit plans.

It is our pleasure to serve our fellow public employees.

Jim Williams
